

Mr. Paul Frosell
Assistant Deputy Associate Director of National Intelligence for
Intelligence Community Enterprise Solutions

Mr. Paul Frosell is the Assistant Deputy Associate Director of National Intelligence for Intelligence Community Enterprise Solutions subordinate to the Associate Director of National Intelligence and Chief Information Officer (ADNI&CIO), Dale Meyerrose, for the Office of the Director of National Intelligence (ODNI). Enterprise Solutions provides enterprise services for the Intelligence Community such as Intellipedia, Wikkis, Blogs, Google, and Intelink.

Mr. Frosell's Intelligence Community career began 13 years ago when he joined the CIA as the New Facility IT infrastructure Architecture and Design Chief Engineer. His last assignment within the CIA was as the IT infrastructure Program Manager to stand up the Terrorist Threat Integration Center (TTIC), now known as the National Counterterrorism Center (NCTC).

Mr. Frosell's career has spanned industry, General Foreman at U.S. Steel's Clairton and Homestead Works, Manufacturing Engineering Manager for access floor manufacturers, and as a contract engineer for the Intelligence Community with Lockheed Martin Company.

Mr. Frosell is a Registered Communications Distribution Designer (RCDD) and expert level Project Manager. He earned his Bachelors of Science for Engineering from Virginia Tech and his Masters in Business Administration from the University of Pittsburgh.
